The abstract must be written in English and it does have to not exceed one page. The contents will be the sole responsibility of the authors.

The deadline to send the abstract is February 15th 2019.

Please, use the available templates for either WORD or LaTeX work format and send it in one of them.

LaTeX: Avoid the introduction of new definitions as well as the use of additional packages. If it is really necessary, please, mark it clearly. The conference organization has a style file to be used in the header.

Microsoft Word: Only the defined styles in the Word template must be used.

Keywords: At least one, at most three.

AMS: AMS classification. (Optional)
