1. Introduction

Contributed papers must be written in English and they do have to not exceed 4 pages. The tables and figures must be attached in any graphic format, as well as inserted in the text. We recommend the use of most usual formats.

The contents will be the sole responsibility of the authors.

2. Deadline

The deadline to send the contributions is January 15th 2019.

3. Templates

Please, use the available templates for either WORD or LaTeX work format and send it in one them to anabel.forte@uv.es with the subject “PREMIO JÓVENES INVESTIGADORES”. Both the source files (.tex o .doc) and the .pdf file should be attached.

LaTeX: Avoid the introduction of new definitions as well as the use of additional packages. If it is really necessary, please, mark it clearly. The conference organization has a style file to be used always in the header.

Microsoft Word: Only the defined styles in the Word template must be used.
