

SAFETY MEASURES

STATEMENT OF RESPONSIBILITY

In relation to the emergency health situation arising from COVID-19, in order to have access to the facilities of the venue where this activity takes place and to guarantee the health and safety of all those who attend, it is essential to read the measures adopted, as well as acceptance and commitment to their fulfillment.

Stay at home if you have symptoms of COVID-19 or feel unwell (dry cough, fever, malaise, shortness of breath, decreased sense of smell and taste, chills, sore throat, muscle aches, headache, diarrhea or vomiting)

Avoid using material, equipment and devices of other people or of shared use, especially the telephone and wireless headphones due to the characteristics of their use

Maintain at least 1.5 metres distance between yourself and others. Avoid going to crowded places and physical contact

Wash your hands frequently with soap and running water or alcohol-based hand sanitizer

Follow access signage and restrict the use of elevators and toilets to one person

Cover your mouth and nose when you cough or sneeze, <https://www.aplaceformom.com/caregiver-resources/articles/dementia-behaviors/> either do so into a tissue or the inside of your elbow. Avoid touching eyes, nose and mouth

Wait your turn

Wear a face mask

What protection measures do we take to safeguard you?

Thorough cleaning of all shared areas

Hand sanitizer available

Strict control of room capacity and safety measures

Signage of areas including health protection measures against COVID-19

If you have symptoms of COVID 19, you should seek an information point in the building immediately and, please, communicate your symptoms.

There will be a special area where we take your temperature

I hereby declare:

1. That the organization and their risk prevention service have offered me all the information relating to the health and safety measures adopted for admission and attendance at the venue of the activity.
2. I undertake to fulfill the health and safety measures outlined while I am in the facilities of the venue, to follow the instructions given by the organization and to notify any incident related to COVID-19, and especially its symptoms, to the organizing committee and to follow the subsequent recommendations.
